We need donations of hot, nutritious meals to serve in our June Builders of the New World program for NYC's homeless children!

The Builder's of the New World is an after-school theatre and education program that for 20 years has helped 6 - 12 year old children living in temporary housing facilities to develop a vision for their future success. We teach the children tangible steps they must take today to achieve their dreams, help them catch up academically and instill a sense of pride in their accomplishments.

This June, please help us to create a warm and homelike atmosphere for the children at this time of instability in their lives!

We start each after-school class by serving the children a hot, nutritious meal, consisting of a protein dish, a vegetable / salad dish, a starch and a dessert. We want to make the children feel special and serve them high-quality, delicious food!

Here are the Details!

- ★ ***When***: We need hot nutritious meals for three children's classes: ***June 2nd; June 7th; June 9th***
- ★ ***How Many:*** We will feed 60 people each evening: 6 to 12 year old children who live in temporary housing facilities, and their volunteer mentors.
- ★ ***Where***: The Actors Theatre Workshop, at 145 W. 28th St. We can arrange to pick up your donation at your location if needed. Or you can bring it to us!

We will be very happy to feature your restaurant on our website and in our social media!

Please contact BNW's Donations Coordinator Elena Grosso at egrosso@actorstheatreworkshop.com
or by phone at (212) 947-1386 with the type of meal you can provide.
